

Leasys UK to provide comprehensive short-term rental service

- **Leasys UK announces a comprehensive short-term rental service to its customers.**
- **Customers will be able to take advantage of a diverse range of vehicles and all-encompassing rental service for personal or business use for between 1 and 28 days.**
- **The new service will enhance Leasys UK's customer offering, in line with its ambition to deliver flexible solutions that cover the full spectrum of mobility needs.**

Leasys, the joint venture between Stellantis and Crédit Agricole Consumer Finance and a leading player in multi-brand operational leasing, has partnered with a major mobility solutions provider to offer a new short-term rental service to its customers.

Through the partnership, Leasys' customers will be able to rent a car or commercial vehicle outside of their main leasing agreement for personal or business use for between 1 and 28 days.

With customer experience a key focus area for Leasys, the all-encompassing rental service will cover Collision Damage Waiver and maintenance, as well as free-of-charge vehicle returns at any time, for simple and hassle-free motoring.

Having established itself as a leading player in medium and long-term rental solutions, the new short-term rental service will enhance the range of services offered by Leasys UK, granting further flexibility to its customers as part of the company's ambition to deliver efficient and effective solutions that cover the full spectrum of mobility needs.

Matthew Boswell, Managing Director Leasys UK, commented: *"We are excited to be launching this service, allowing us to expand our customer offering and provide even greater flexibility through this new and comprehensive short-term rental service."*
